STANDARD WARRANTY

1. Warranty Card

- 1.1. Included with the outer shell carrier is a warranty registration card that must be completed and returned to the manufacturer's address posted on the card for the warranty to be effective.

2. Warranty - Outer Shell Carrier

- 2.1. The outer shell carrier and other non-ballistic components are warranted to be free from material and manufacturing defects for 24 months from the date of issue to the individual user, as verified by the warranty card.
- 2.2. During the warranty period, any garment having a manufacturing or material defect, as determined through inspection by an authorized Point Blank Enterprises representative, will be repaired or replaced at no cost to the customer.
- 2.3. The outer shell carrier warranty shall be void if the product has been altered, abused, or misused, stored improperly, or not cleaned in accordance with cleaning instructions.

3. Warranty - Soft Ballistic Component

- 3.1. The bullet/stab-resistant elements are warranted to perform to their NIJ-certified standard for a period of five years from the date of issue to the individual user, as verified by the warranty card.
- 3.2. The bullet/stab-resistant elements of this system have been tested and certified by the National Institute of Justice and passed the compliance requirements of the NIJ Standard for Ballistic Resistance of Personal Body Armor.
- 3.3. The ballistic elements are warranted to be of the same construction and design as the original NIJ certified model listed on the label.
- 3.4. During the warranty period, any soft ballistic component having a manufacturing or material defect, as determined through inspection by an authorized Point Blank Enterprises representative, will be repaired or replaced at no cost to the customer.
- 3.5. Should the soft body armor ballistic panel cover be compromised (cut, torn or frayed); it should not be worn and immediately returned to the manufacturer for inspection and repair. If the damage is the result of normal wear and tear, the damage will be repaired free of charge. If however, the damage is the result of improper care, storage or abuse, determined solely by Point Blank Enterprises, then Point Blank Enterprises will advise the owner of recommended repair or replacement costs.
- 3.6. The ballistic/stab-resistant elements of this system will reduce the possibility of serious physical injury to the wearer in the areas covered by the ballistic or stab elements.
- 3.7. There should be no expectation of bullet or stab resistance in areas not covered by the ballistic or stab element. The ballistic or stab element is not warranted to be bulletproof or stab proof.

4. This warranty does not cover and is void for:

- Any garment altered or modified in any way other than Point Blank Enterprises authorized factory alterations.
- Any ballistic or stab element that has been altered or modified in any way other than Point Blank Enterprises authorized factory alterations.
- Any ballistic or stab element not in a Point Blank Enterprises outer shell carrier from any of the core brands (Point Blank Body Armor, Protective Apparel Corporation of America (PACA), Protective Products or PARACLETE®) except as approved by Point Blank Enterprises.
- Damage as a result of abuse or misuse.
- Damage as a result of improper storage or maintenance.
- Penetrations as a result of ballistic or stab testing.
- The results of any specific ballistic or stab testing.
- Injury as a result of bullets or other projectiles or instruments not impacting the ballistic or stab element.

5. Warranty – Helmet, Blade Plate and Single Curve Ballistic Shield

- 5.1 Refer to the warranty provided by the original equipment manufacturer (OEM) helmet, blade plate and single curve ballistic shield.
- 5.2 Point Blank Enterprises and core brands Point Blank Body Armor, Protective Apparel Corporation of America (PACA), Protective Products and PARACLETE® warranty disclaimer: The ballistic helmet is sold by Point Blank Enterprises "as is." Point Blank Enterprises hereby disclaim and make no express or implied warranties or representations of any kind with respect to the ballistic helmet including, without limitation, its condition, design, quality, capacity, merchantability fitness for any particular purpose, compliance with the requirements of any law, order, rule, regulation, specification, patent, or contract. Point Blank Enterprises shall not be liable for any defect, either latent or patent in the ballistic helmet and shall have no obligation or liability in negligence, strict liability, or other tort.

CONTACT INFORMATION

Richard H. Vance started Vance's in 1938 as a general store. He passed his love of hunting and shooting on to his son Richard M. Vance. Together they changed their grocery store that was selling firearms, archery, and police equipment as a sideline business to a full-time Sporting Goods store in January of 1978

Rich's wife Lana and sons Todd and Doug have worked in the family business for many years and have played a major role in the steady growth. Todd runs our retail operations and Doug spearheads our Law Enforcement Division.

In 2002 Vance's merged their business with Buckeye Outdoors. We are proud that we have evolved into four large and very successful operations: Vance's Shooters Supplies, Vance's Law Enforcement, Buckeye Outdoors, and Buckeye Outdoors Marine. Our four DBA divisions are part of Vance Outdoors Inc., our new Ohio incorporated company name.

Richard H. Vance loved his customers and loved to converse with them. He taught his family that our customers were our real Bosses. We were schooled in the many ways to make and keep our customers happy. Our mission has always been and will always be to make sure that our customers have a great shopping experience at Vance's.

We are fortunate to have a wonderful group of longtime employees. Some of them have been with Vance's for more than 30 years. Our entire staff would like to thank all of our many customers in Columbus and around Ohio for shopping at Vance's and making this our 68th year at the same location.
